6.1 Termination Fee and Expense Reimbursement.

(a) In consideration for Buyer having expended considerable time and expense in connection with this Agreement and negotiation thereof and the identification and quantification of assets of the Seller, the Seller believes that the Buyer is entitled to certain bid protections to be approved by the Bankruptcy Court. Seller agrees to promptly seek approval the bid protections set forth in this Agreement following due execution of the same by Buyer. Subject to approval by the Bankruptcy Court, if Buyer's bid embodied in the Purchase Price as set forth in this Agreement is exceeded by a Competing Bid, or Seller enters into an Alternate Transaction, then Seller shall, or shall cause the purchaser in an Alternate Transaction, as applicable, to pay to Buyer the Termination Fee, together with the Expense Reimbursement, upon consummation of the Alternate Transaction from the proceeds of such Alternate Transaction paid at the closing thereof.

(b) If this Agreement is terminated pursuant to Section 12.1(b)(i) (provided that the failure to close was due in whole or in part to any action or inaction by Seller); Section 12.1(b)(iii); Section 12.1(b)(iv); or Section 12.1(b)(v) (provided that the Title Defects at issue were willfully placed of record or consented to be placed of record by Seller after the date hereof), then Seller shall pay to Buyer the Expense Reimbursement within five (5) Business Days after such termination.

6.2 Competing Transaction.

(a) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Seller of higher or better competing bids (each, a "Competing Bid").

(b) Notwithstanding the execution of this Agreement, Seller is permitted to cause its Representatives to further market and initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Buyer and its Representatives) in connection with any sale or other disposition of all or any other asset of Seller. In addition, Seller shall have the responsibility and obligation to respond to any and all other acts related thereto which are required under the Bankruptcy Code or other applicable law, including supplying information relating to the assets of Seller to prospective purchasers. Prior to Seller furnishing any non-public information to any Person in connection with an offer regarding the sale or other disposition of all or any part of the Acquired Assets, Seller must enter into a customary

confidentiality agreement with such Person on terms no less favorable to the Seller than those contained in Section 8.3.

(c) If a Competing Bid is selected in conjunction with an auction (the “Auction”) but such bidder does not consummate the purchase of the Acquired Assets and Buyer is the second highest bidder (the “Backup Bidder”), Buyer shall be subject to the rights and responsibilities of the Backup Bidder as set forth in the Bidding Procedures.

6.3 Treatment of Monetary Obligations. The Termination Fee and Expenses Reimbursement payable to Buyer under this Agreement shall be entitled to administrative expense priority in Seller’s Bankruptcy Case pursuant to Sections 503(b) and 507(a) of the Bankruptcy Code.

ARTICLE XIII

TITLE INSURANCE; PERMITTED EXCEPTIONS; APPORTIONMENTS

13.1 Title Insurance. Buyer (i) has ordered from Advantage Title, 201 Old Country Road, Suite 200, Melville, NY 11747 (the "Title Company") a current title report with respect to the Owned Real Property, and Buyer shall request the Title Company to perform continuation searches of title prior to the Closing (collectively, the "Title Report"), and (ii) has ordered a current ALTA survey of the Owned Real Property (the "Survey"). Buyer has notified Seller, in writing (a "Buyer's Objection Notice"), of any exception, lien, mortgage, security interest, claim, charge, reservation, lease, tenancy, occupancy, easement, right of way, encroachment, restrictive

covenant, condition, limitation or other encumbrance affecting the Owned Real Property (collectively, “Exceptions”) disclosed by same that is not a Permitted Exception and to which Buyer objects. Notwithstanding anything herein to the contrary, Buyer shall be deemed to have objected to and is not obligated to deliver a Buyer Objection Notice with respect to the following in order for same to constitute a Title Defect (defined below): (x) any and all monetary liens, including all mortgages and security interests securing any obligations of Seller (or any predecessor-in-interest to Seller), all judgments against Seller (or any predecessor-in-interest to Seller), all mechanics’ liens recorded against the Owned Real Property (or any portion thereof), all monetary liens or penalties arising out of violations on the Owned Real Property and all real property taxes (other than real property taxes that constitute Permitted Exceptions), and (y) any and all tenancies. Except as otherwise provided herein, Seller may elect (but shall not be obligated) to attempt to cure or remove any such title objections (collectively and individually, a “Title Defect”) set forth in the Title Report, the Survey, a Buyer’s Objection Notice or otherwise. The Parties acknowledge that Seller may rely on the Sale Order to discharge certain Title Defects and hereby agree that the Title Company’s issuance of a title insurance policy, in reliance on the Sale Order, without taking exception for those Title Defects shall be sufficient to constitute Seller’s cure and removal of such Title Defects. If Seller is obligated or elects to attempt to cure or remove any Title Defect and are unable to do so on or before the Closing Date, then Seller shall be entitled to adjourn the Closing in order to cure or remove such Title Defect for a period of not more than 30 days in the aggregate. If Seller elects not to cure or remove, or after electing to cannot cure or remove, any Title Defect that Seller is not otherwise obligated to cure or remove pursuant to the terms of this Agreement or shall, for any reason, be unable to cure or remove any Title Defect that Seller is not otherwise obligated to cure or remove pursuant to the terms of this Agreement within the time periods set forth in the preceding sentence, then Seller shall notify Buyer in writing and Buyer shall have the right to either (i) terminate this Agreement or (ii) accept such title as Seller shall be able to convey without abatement in the Purchase Price and without any liability on the part of Seller.

13.2 Permitted Exceptions. “Permitted Exceptions” means:

- (a) all matters set forth on Schedule 13.2(a) attached hereto and made a part hereof;
- (b) building, zoning, subdivision and other governmental laws, codes and regulations, and landmark, historic and wetlands designations;
- (c) any state of facts that a current, accurate survey or visual inspection of the Owned Real Property would disclose, provided same do not render title uninsurable at standard rates;
- (d) all rights and easements, for electricity, gas, telephone, water, cable television and any other utilities to maintain and operate lines, cables, poles and distribution boxes in, over and upon the Owned Real Property;
- (e) any variations between the tax diagram or the tax map and the record description, provided same does not render title uninsurable at standard rates;

(f) rights of the public and adjoining owners in highways, streets, roads and lanes crossing the Owned Real Property existing as of the date hereof, provided that the Title Company shall insure (at no additional cost to Buyer) that no third parties have any claims for adverse possession or easements by prescription by virtue of the use of such highways, streets, roads and lanes crossing the Owned Real Property;

(g) real property taxes, water rates and charges, sewer taxes and rents, and similar items with respect to the Owned Real Property, not yet due and payable and subject to apportionment as provided herein; and

(h) assessments or installments thereof arising after the date of Closing, whether or not a lien as of Closing, which are due and payable on or after Closing.

13.3 Apportionments.

(a) Items Subject to Apportionment. Subject to the terms of this Section 13.3, the following items, without duplication, are to be apportioned between Seller and Buyer with respect to the Owned Real Property 12:00:01 a.m. on the calendar day immediately following the Closing Date, and at the Closing the net amount thereof shall, as applicable, either be (x) paid by Buyer to Seller by wire transfer of immediately available federal funds to a bank account designated by Seller or (y) credited by Seller against the Purchase Price:

(i) real property taxes and assessments;

(ii) water rates and charges;

(iii) sewer taxes and rents;

(iv) electricity, steam, gas and all other utilities, including, without limitation, taxes thereon;

(v) deposits on account with any utility company servicing the Property, to the extent transferred to Buyer;

(vi) deposits on account with any municipality having jurisdiction over the Property, to the extent transferred to Buyer; and

(vii) all other items that reasonably require apportionment in accordance with local custom and practice to effectuate the transactions contemplated hereby.

Seller and Buyer shall adjust any apportionments made under this Section 13.3 after the Closing to account for errors or incorrect estimates made as of the Closing Date (it being agreed that the Parties' aforesaid agreement to make such adjustments shall survive the Closing for a period of twelve (12) months).

(b) Governmental Charges. Apportionment of real property taxes, water rates and charges, sewer taxes and rents and other similar items shall be made on the basis of the fiscal year for which assessed. If the Closing Date occurs before the real property taxes,

water rates and charges, sewer taxes and rents or similar items with respect to the Property are finally fixed for the fiscal year in which the Closing occurs, then the apportionments thereof made at the Closing shall be made on the basis of the real property taxes, water rates and charges, sewer taxes and rents or other similar items, as the case may be, for the preceding fiscal year applied to the latest assessed valuation. After the real property taxes, water rates and charges, sewer taxes and rents or similar items, as the case may be, are finally fixed for the fiscal year in which the Closing occurs, Seller and Buyer shall make a recalculation of the apportionment thereof based on the amounts finally fixed for the fiscal year in which the Closing occurs, and Seller or Buyer, as the case may be, shall make an appropriate payment to the other Party based on such recalculation. Seller or its representatives shall have the right (x) at any time before the Closing, to institute tax reduction or other proceedings to reduce the assessed valuation of the Owned Real Property with respect to any tax period ending at or prior to the end of the tax year in which the Closing occurs and (y) to continue, after the Closing, any such proceedings commenced by Seller prior to the Closing; *provided, however*, that (A) Seller (or its representatives) shall notify Buyer of, and keep Buyer reasonably informed with respect to, any such proceedings and no such proceeding shall be finally settled by Seller without the prior consent of Buyer, which consent shall not be unreasonably withheld, and (B) upon notice to Seller, Buyer shall have the right to assume control of and prosecute any such proceeding relating to the tax year in which the Closing occurs, provided that no such proceeding shall be finally settled by Buyer without the prior consent of Seller, which consent shall not be unreasonably withheld. If Buyer, at any time following the Closing shall institute tax reduction or other proceedings to reduce the assessed valuation of the Owned Real Property with respect to the tax period ending at the end of the tax year in which the Closing occurs, such proceeding shall not be finally settled by Buyer without the prior consent of Seller, which consent shall not be unreasonably withheld. If any refund of any real property tax, water rates and charges, sewer taxes and rents or similar items is issued after the Closing Date for any period ending prior to or including the Closing Date, such refund shall be applied as follows: first, to the cost incurred in obtaining such refund; and, second, the balance of such refund, if any, shall be apportioned between Seller, for the period prior to the Closing Date, and Buyer, for the period from and after the Closing Date.

(c) Water Meters. If there shall be any meters measuring water consumption at the Owned Real Property, Seller shall attempt to obtain meter readings to a date that is no more than thirty (30) days before the Closing, and, if such readings are obtained, the unfixed water rates and charges and sewer taxes and rents, if any, based thereon for the intervening time, shall be apportioned on the basis of such readings, or if such readings are not obtained, the unfixed water rates and charges and sewer taxes and rents, if any, shall be apportioned upon the last meter readings.

(d) Payment of Certain Items. The amount of any unpaid taxes, assessments, water rates and charges, sewer taxes and rents and any other similar items which Seller is obligated to pay and discharge with respect to the Owned Real Property, with interest and penalties thereon to the date which is three (3) Business Days following the Closing Date, may, at the option of Seller, be allowed to Buyer out of the Purchase Price, provided that official bills therefor with interest and penalties thereon are furnished to Buyer by Seller at the Closing. Buyer, if request is made at least two (2) Business Days prior to the Closing,

shall provide Seller at the Closing with separate wire transfers of immediately available federal funds, in an aggregate amount not exceeding the balance of the Purchase Price due to Seller at the Closing, to facilitate the satisfaction of any of the aforesaid taxes, assessments, water rates and charges, sewer taxes and rents and other similar items and any interest and penalties thereon to the Closing Date. Without limiting the foregoing, Seller is solely obligated to pay and discharge any of the aforesaid taxes, assessments, water rates and charges, sewer taxes and rents and other similar items affecting the Owned Real Property that are delinquent as of the Closing Date, subject to apportionment as herein provided.

(e) Utilities. With respect to the utilities described in Section 13.3(a)(iv), where possible, Seller shall secure cutoff readings for all utilities as of the apportionment time. To the extent that such cutoff readings are not available, at Closing the cost of such utilities shall be apportioned between the Parties as of the apportionment time on the basis of the most recent actual (not estimated) bill for such service, and, after Closing, upon determination of the final meter readings shall be readjusted based on same as of the apportionment time. Buyer shall be responsible for causing such utilities and services to be changed to its name (or the name of any affiliate, manager or tenant of Buyer) as of the Closing Date, and shall be liable for and shall pay all utility bills for services rendered after the apportionment time. With respect to deposits of Seller on account with any utility company servicing the Owned Real Property, to the extent same are unconditionally transferred to Buyer at Closing, Seller shall receive an adjustment equal to the full amount of such deposits transferred to Buyer. To the extent that any such deposits are not unconditionally transferred to Buyer, Seller shall have the right to a return of such deposits and Buyer shall be responsible for posting any deposits required from and after the Closing.

(f) Assessments. If, on the Closing Date, the Owned Real Property, or any part thereof, is affected by any real property tax assessments, then Seller shall pay such assessments; *provided, however*, that if such assessments are payable in installments, then Seller shall pay such installments due prior to the Closing Date, and Buyer shall pay such installments due after the Closing Date.

(g) Survival. The provisions of this Section 13.3 shall survive the Closing.

ARTICLE XIV MISCELLANEOUS

14.1 Survival. All representations, warranties, covenants and obligations in this Agreement and in the certificates delivered pursuant to this Agreement shall survive the Closing and the consummation of the Contemplated Transactions. Any remedy based upon such representations, warranties, covenants and obligations shall not be affected by any investigation (including any environmental investigation or assessment) conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance with any such representation, warranty, covenant or obligation. The waiver of any condition based upon the accuracy of any representation or warranty, or on the

performance of or compliance with any covenant or obligation, will not affect such right to set-off or other remedy based upon such representations, warranties, covenants and obligations.

14.2 Press Releases and Public Announcements. No Party shall issue any press release or make any public announcement relating to the subject matter of this Agreement without the prior written approval of the other Party, such approval not to be unreasonably withheld or delayed; *provided, however*, that any Party may make any public disclosure it believes in good faith is required by Applicable Law or by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement (in which case the disclosing Party will use its reasonable efforts consistent with such Applicable Law or Bankruptcy Court requirement to advise the other Party prior to making the disclosure).

14.3 No Third-Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

14.4 Entire Agreement. This Agreement and the other Closing Documents constitute the entire agreement among the Parties and supersedes any prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they relate in any way to the subject matter hereof.

14.5 Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Party; *provided, however*, that Buyer may (a) assign any or all of its rights and interests herein, including but not limited to, any not-for-profit corporation of which Buyer is a member and which succeeds to the interest of Buyer in the Seller and (b) designate one or more of its Affiliates to perform its obligations hereunder (in any or all of which cases Buyer nonetheless shall remain responsible for the performance of all of its obligations hereunder).

14.6 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. The delivery of an executed signature page of this Agreement or any other Closing Document by fax or portable document format (.pdf) shall have the same effect as the delivery of a manually executed counterpart hereof or thereof.

14.7 Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

14.9 Governing Law; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the domestic laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

14.10 Submission to Jurisdiction; Consent to Service of Process. Without limiting any Party's right to appeal any order of the Bankruptcy Court, (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Contemplated Transactions, and (b) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 14.8 hereof; *provided, however*, that, if the

Bankruptcy Case has closed, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Eastern District of New York sitting in Brooklyn, New York or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in Suffolk County and any appellate court from any thereof, for the resolution of any such claim or dispute. The Parties hereby irrevocably waive, to the fullest extent permitted by Applicable Law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the Parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each of the Parties hereby consents to process being served by any Party to this Agreement in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 14.8.

14.11 Amendments. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by Buyer and Seller. Seller may consent to any such amendment at any time prior to the Closing with the prior authorization of Seller's Board.

14.12 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

14.13 Expenses. Except with respect to the Termination Fee and Expense Reimbursement, each of the Parties will bear its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement and the Contemplated Transactions-it being expressly understood that Seller shall pay all Transfer Taxes payable with respect to the conveyance of the Owned Real Property, if any.

14.14 Construction. The Parties participated fully in the negotiation and preparation of this Agreement with full benefit of counsel. Accordingly, this Agreement is to be construed as if the Parties drafted it jointly and is not to be more strictly construed against any Party.

14.15 Incorporation of Schedules. The Schedules identified in this Agreement are incorporated herein by reference and made a part hereof. The Parties acknowledge that the Schedules attached hereto may be updated after the Execution Date with Buyer's consent, which consent shall not be unreasonably withheld.

14.16 No Waiver. The failure of any Party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights. The waiver of any such right with respect to particular facts and other circumstances shall not be deemed a waiver with respect to any other facts and circumstances and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time. No right, remedy or election given by any term of this Agreement shall be deemed exclusive but shall be cumulative with all of the rights, remedies and elections available at law or in equity.

14.17 Non-Recourse Liability. All claims or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under,

out or by reason of, be connected with, or related in any manner to this Agreement may be made only against (and expressly limited to) the persons that are expressly identified as Parties hereto or thereto (the “Contracting Parties” and each a “Contract Party”). In no event shall any Contract Party have any shared or vicarious liability for the actions or omissions of any other person. No person who is not a Contracting Party, including a director, officer, employee, incorporator, member, partner, manager, stockholder, affiliate, agent, attorney or representative of, and any financial advisor or lender (including the financial sources) to, any of the foregoing (the “Non-Party Affiliates”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute or based upon any theory that seeks to impose liability of an entity party against its owners or affiliates) for any causes of action or liabilities arising under, out of, in connection with or related in any manner to this agreement or related agreements or their negotiations, execution, performance or breach; and, to the maximum extent permitted by law, each Contracting Party waives and releases all such causes of action and liabilities against any such Non-Party Affiliates. Without limited to the foregoing, to the maximum extent permitted by Law , (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Non-party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon Non-Party Affiliates with respect to the performance of this agreement or related agreements or any representation or warranty made in, in connection with, or as inducement to this agreement or related agreements. The Parties acknowledge and agreed that the Non-Party Affiliates are intended third-party beneficiaries of this Section.
